

UTexas Signup Instructions

Name _____

Date _____

We will occasionally use the University of Texas on-line homework system. Follow the instructions below to gain access to the UTexas homework website.

If you do not currently have a UTexas Electronic ID (UTEID)

- 1) Direct your web browser to <http://quest.cns.utexas.edu> and click “Get Started”.
- 2) Click on “I need a UT EID”.
- 3) Click on “Get a UT EID”.
- 4) Follow the process for getting a UT EID. Answer “No” for all questions regarding your association with the University of Texas. Be sure to enter a valid email address.

Once you have a UT EID, log in and register for the class

- 5) Once you have created an account, return to <http://quest.cns.utexas.edu> and log in.
- 6) After you have logged in, you must **register** for the appropriate class. Search for the class by Class ID number:

Name	UTexas Class ID
Multivariable Calculus	9991810
BC Calculus	9991811
Linear Algebra	9991812

Once you register, I will need to approve your registration. Then you can complete your first assignment, “Welcome to UTexas”, which is on Tuesday at 8 pm.

IMPORTANT NOTE ON SCORING

If you submit an incorrect answer, you will be able to submit another answer. However, each wrong answer reduces the number of points received. For example, on assignment 1, a correct answer on the first try receives 10 points, on the second try 5 points, on the third try 2.3 points, on the fourth try 0 points, and on the fifth try -5 points.

The moral of the story? Don't guess. Take your time and answer when you are sure.
